Illuminate Your Space With Style

LUNA[®]

ABOUT HOMESTYLE

Lighting is More than Just Illumination it is the atmosphere, mood, and identity of a space. The right lighting transforms ordinary interiors into warm, elegant, and inviting environments.

At Homestyle, we believe that every space deserves lighting that speaks style and character. Our collection of floor lamps (RL series) and table lamps (RT series) is carefully selected to bring together elegance, uniqueness, and functionality.

We do not offer basic lighting. Instead, we focus on lamps that enhance interiors, creating a perfect balance between beauty and practicality. Whether placed in a living room, sitting area, bedroom, office, or reception space, our lamps are designed to elevate your environment.

Each piece is crafted to deliver a warm glow that not only lights your space but also defines it. From modern minimalist designs to luxury statement pieces, Homestyle lighting brings life, comfort, and sophistication into every corner.

FLOOR LAMPS (RL SERIES)

Floor lamps from Homestyle are designed to bring elegance, height, and warmth into your space. They are perfect statement pieces that enhance room corners while providing soft ambient lighting. Ideal for living rooms, lounges, offices, and reception areas, our floor lamps combine modern design with functional illumination to elevate any interior.
